Dear Ruffin:

I am in receipt of both your letters,
and am writing to say we will be looking for you
in Washington Easter Sunday.

I sent you a ticket to Trenton. I am
sure you have received it by now. Dont use it to
come to Washington, but buy a round trip ticket
from Portsmouth, and use the ticket I sent you
when you come to Trenton on May 1st.

I hope you have made up your mind finally,
and have your plans made. I dont suppose this
new order freezing men in their jobs will effect
you.

Looking to see you in Washington Easter.

Very Truly Yours
